

2022 HSPA Foundation Better Newspaper Contest

BLUE RIBBON ENTRY FORM

The Blue Ribbon Award (Category 26) recognizes one daily and one nondaily each year as the newspaper doing the best job of serving its readers in Indiana.

In this highest accolade of the contest, judges base their decision on an overall evaluation of the editorial quality of the newspaper. They consider breadth and depth of coverage, quality of reporting and copy editing, news judgment and content balance, general appearance, imaginative approach to problem news areas, originality, reader interest and overall professionalism.

Please complete this form and upload it with the three digital editions in your entry.

Newspapers **MUST** submit three complete editions: one from the month of April 2021, one from the month of November 2021, and one from any month during the contest period (including April or November if desired). The form will ensure judges have the same, relevant information about each competing newspaper.
