

A black and white photograph of a middle-aged couple sitting in the back of a pickup truck. The woman, on the left, is wearing a checkered button-down shirt and has her arm around the man's shoulder. The man, on the right, is wearing a cowboy hat, a light-colored button-down shirt, jeans, and a watch. He has a nasal cannula (oxygen tube) in his nostril and a bag slung over his shoulder. They are both smiling at the camera. The background is a blurred outdoor setting with trees.

FREEDOM. TO BE YOU.

If you think oxygen therapy means slowing down, it's time for a welcome breath of fresh air.
